

## DEBUTING Meeting in Stuttgart

### Gender Equality as a Competitive Factor in Baden-Württemberg and in the EU

The fourth interregional in-person partner meeting of DEBUTING project took place in Stuttgart, Germany, 24 - 25 January 2024. Minister of Economic Affairs, Labour and Tourism of Baden-Württemberg Dr. Nicole Hoffmeister-Kraut welcomed representatives from the partner nations to the meeting, focusing on the question of how greater diversity and equal opportunities in the economy can help to combat the shortage of skilled workers.

## Watch the Thematic Workshop Videos!

### Inclusive and Gender Equal Companies

The first thematic workshop was about inclusive and gender equal companies. In this summarizing video Anne-Charlott Callerstig covers widely what is reflected in research about gender equality in competence supply and why it is important. Callerstig also gives practical examples on the topic, for example clarifying the importance of diverse approach in product design.
